

Information Form

Brede Exposition Services will receive your materials shipped in advance at our local warehouse, or shipped directly to show site. For detailed information regarding material handling services provided by Brede and the associated charges, please see below. Please make your show site representative aware of the following information.

Exhibitors may choose to ship freight to the advance warehouse or directly to show site. Brede will receive and manage the freight at the warehouse and on show site as described in the following pages. Material handling fees are paid to Brede for these material handling services, and are separate from and independent of freight transportation charges, which are paid to a freight carrier such as YRC, ABF, FedEx, or any other carrier of the exhibitor's choosing. Exhibitors are responsible for securing a carrier of their choosing and arranging freight transportation to and from the event, and all associated transportation fees.

Material Handling Documentation

Inbound Bill of Lading

All inbound shipments must have a Bill of Lading or delivery slip showing the number of pieces, type of merchandise and weight. Shipments received without this information will be delivered to exhibitor's booth without guarantee of piece count or condition. No liability will be assumed by Brede for such shipments. Billed weight is based on incoming weight, whether outbound services are used completely or in part. The weight is rounded up to the next one hundred pounds (100 lbs) and is taken from the inbound Bill of Lading and/or the certified weight ticket. Separate shipments will not be combined. Shipments arriving without a specified weight on the Bill of Lading will be assigned an approximate weight by Brede. This weight will prevail.

Empty labels will be available at the Brede Service Desk. Affixing the labels is the sole responsibility of the exhibitor. Brede assumes no responsibility for removal of containers with old empty labels, improper information on labels or valuables stored in containers with empty labels. Empty containers will be removed from the floor and stored until the close of the show. You will not have access to empty containers during the show. In most cases, empty containers may not be stored in your booth during the show as it is a fire hazard.

Outbound Bill of Lading

Outbound shipping is not an automatic process. Outbound Bills of Lading must be completed and turned in to the Brede Service Desk: **do not leave outbound Bills of Lading in your booth.** Exhibitors who wish to ship outbound materials via any carrier other than the show carrier must advise carrier to be checked in at the Brede Service Desk by the driver check-in time specified on the *Show Details* page. Drivers are placed in line for loading on a first-come, first-serve basis, provided the exhibitor is completely packed and a Bill of Lading has been turned in to the Service Desk. Drivers whose Bills of Lading have not been turned in will be placed in a holding queue until the booth is packed and the Bill of Lading is turned in. Should your carrier fail to check in by the designated time, Brede reserves the right to re-route shipment via the official show carrier as necessary, at the exhibitor's expense.
