Marshalling Yard

All Exhibitors must first check in at the security booth at the Marshalling Yard entrance at the assigned move-in time. After unloading your boats in your designated space, your vehicle needs to be moved off the show floor and out of the Marshalling Yard. There is parking available in the parking ramps around the Minneapolis Convention Center.

SNOW & ICE REMOVAL INFORMATION

Due to the fact that the electrical ports are located in the floor of the convention hall, and the damage from melting snow and ice has caused in the past, Show Management is unable to allow snow and ice laden vehicles, boats and trailers onto the exhibit floor. Therefore, **PRIOR TO LEAVING YOUR FACILITY, PLEASE MAKE SURE THAT ALL VEHICLES, BOATS AND BOAT TRAILERS ARE CLEANED OF EXCESSIVE SNOW AND ICE.** Any residual ice and snow must be removed at the Marshalling Yard with the power washer provided by Show Management, specifically for Hall B. All vehicles, boats and boat trailers will be checked thoroughly prior to entering the show floor and will be refused access to the building until all snow and ice has been removed in the Marshaling Yard. Boat exhibitors must also remove the shrink-wrap from their boats prior to entering the show floor.

SECURITY PRECAUTIONS

SUGGESTIONS & PRECAUTIONS

- Ship locked trunks or crates. Avoid using small cartons for shipping products.
- Do not indicate contents on shipping container.
- Furnish your carrier with accurate bills-of-lading.
- Cover your displays each night.
- If you plan to remove merchandise or equipment during show dates, you must obtain a Show Release Form from the Show Office before leaving the exhibit hall.
- Do not leave briefcases, laptop computers, cellular phones, purses, etc. in an unattended booth.
- Pack quickly upon receiving your empty crates or fiber cases at show end.
- During Move-Out an employee should remain with the exhibit until all products have been repacked.

Bulk storage of exhibit retail inventory i.e. luggage, coolers, sunglasses, etc. is the sole responsibility of the exhibitor. Exhibitors are responsible for securing these types of items in their own trailers, vehicles or security cages. EXHIBIT REMOVAL

All exhibits must remain staffed and intact until the official show closing at 6:00 p.m. Sunday, January 25, 2008. All non-carriable items must be loaded through the loading docks or overhead doors.
