

NEW PRODUCT SHOWCASE

Stop by to see what's next! Manufacturers will be on hand to highlight new features and innovations on their latest boats and pontoons. You'll also get a first look at new-to-market boating gear and accessories. Whether you're upgrading your setup or just love being ahead of the curve, this is where you'll find the newest innovations in boating.

Polaris	Click & Cruise supports a curated lineup of modular accessories, including the Sandbar Shade, Fender Hanger, Rod Holder Kit, Flagpole Kit, and Sports Rack and this is only the beginning!	102C
PT Fishing Corp	Bow mount trolling motor bracket for your pontoon, trolling motor mounts horizontally to free up floor space.	102D
Alera		102E
Easy Environmental Solutions	A water clean up system which takes in dirty water and applies concentrated oxygen gas bubbles before dispensing back into the body of water. Used to clean up algae and settled organic waste.	102G
Row Systems LLC	Yacht Cot System, a structurally-sound stainless steel accessory arm that allows you to hang hammocks and more of your pontoon so you can read a book, bask in the sun, or relax in style."	102H
Blue Water Marine Rigging and Electronics	Specialize in advanced audio, integrated live sonar systems, and professionally installed SeaDek, executed with precision, clean design, and long-term reliability.	102K
Supreme Marine		102M
Raptor Performance Shocks	The Ultimate Boat Seat Suspension Pedestal.	102S
T/6 Marine	The ToonBOSS by T/6 Marine is a heavy-duty, low-profile quick-release mount that enables tool-free, rapid installation and removal of trolling motors on pontoon boats.	102U
Sideshift, Inc.	Sideshift's mission is to take the stress out of docking with externally mounted, easy-to-install bow and stern thrusters for recreational boaters	102V
Paradise Pad	Discover the Paradise Pad SUPaBOAT, the inflatable boat that combines paddling, cruising, and chilling.	102X
Easy Life Solutions	Surf, Foil, & Waterski Storage Solutions	102W
Polaris	Pontoon Dock Assist (PDA) provides an integral and intuitive solution on our pontoon boats that help ease close quarter maneuvering efforts in trailer, lift and dock situations with a single bow or dual bow and stern thruster system that does not protrude from the center tube.	102Z
