MINNEAPOLIS  
BOAT SHOW®

PROGRESSIVE®

## Welcome to the Discover Boating® Minneapolis Boat Show® in partnership with Progressive®!

We're excited to kick off the 53rd edition of the Upper Midwest's premier boating event. It's great to have you with us! If you love boats and the boating lifestyle, you've come to the right place to escape winter for a few hours, explore what's new for 2026, and get inspired for summer and sunny days spent on the water.

What will you find at this year's show? For starters—an incredible lineup of new boats. So, whether you're looking for your first boat or your next boat, you'll have plenty of options to shop and compare (plus take advantage of show deals and incentives). And even if you're not planning to buy, it's fun to see the latest innovations and cutting-edge designs.

You'll also find a great selection of gear—accessories for all your favorite on-water activities and upgrades to enhance your time on the water. Not to mention items you didn't know existed, or realize you needed. Thinking about repowering your boat? You'll find every major engine manufacturer is represented on the show floor, so you can explore all your options.

Finally, to round out your day at the show, be sure to check out the attractions, interactive exhibits, and boating resources. Head to Fred's Shed How-To Center for daily seminars and DIY advice from the pros. Step into the New Product Room and get a first look at the gear and accessories debuting at this year's show. Enjoy the antique and classic boats display and be sure to check out the winners of the Minneapolis Innovation Awards to see the latest innovations in boat and marine products. When you need a break, swing by the Furniture & Things | Plants & Thinks Lake Lounge to enjoy a drink, live music and snacks. There really is something for everyone.

We hope you enjoy the show. See you out here!

**Darren Envall**  
*Show Manager*

**P.S. Be sure to check out [DiscoverBoating.com](https://DiscoverBoating.com) for boating tips, expert advice, resources and more.**

# SHOW HIGHLIGHT

## Furniture & Things | Plants & Things Lake Lounge | Space 803

Step into a space where the sun is always out, the playlist hits just right, and the atmosphere is pure Minnesota. The Furniture & Things | Plants & Things Lake Lounge is an easygoing hang where you and your crew can kick back, catch up, and discover the best of boating—surrounded by hundreds of the hottest new boats in the market today.

Lounge in premium outdoor furniture from Furniture & Things, Amish-crafted in the U.S. from eco-friendly recycled materials and backed by a 20-year warranty—built for long days, good company, and life outside.

It's the perfect place to unwind and plot your next course after exploring the show—whether it's pondering your first or next boat purchase, meeting friends, or soaking up the laid-back boating vibes.

### Musical Entertainment

Enjoy the musical talents of local Minneapolis musician, Jackson Burns.

#### **Schedule:**

**THURSDAY:** 3-7PM | **FRIDAY:** 4-7PM

**SATURDAY:** 3-7PM

## Antique & Classic Boat Display | Lobby D

Presented by the Bob Speltz Land O'Lakes Chapter of the Antique and Classic Boat Society. Boating enthusiasts and nautical history buffs alike will enjoy this fascinating look at a bygone era.

## Edina Model Yacht Club Display | Lobby E

Get ready to be amazed by the Edina Model Yacht Club's meticulously crafted model boats. Since 1991, this non-profit has showcased stunning radio-controlled model boats, from 8-inch wonders to 7-foot masterpieces powered by electric, sail, and steam. Kids are invited to "take the helm" and pilot the remote-controlled boats while checking out the display.

## Fred's Shed How-to Center—presented by Progressive® | Space 302A

Tips, tricks, and DIY advice for every boater—from first-timers to experienced captains. Have a boat or engine problem you haven't been able to fix? Stop by and ask our tech expert about it.

# PROMOTIONS

## Sea-Doo SPARK! Baggo Tournament

Enter for your chance to play to win! Four qualifiers will be chosen at random to participate in the Annual Baggo Tournament at the Discover Boating Minneapolis Boat Show on **Saturday, January 24 at 2:00 PM.**

- ▶ Grand prize is a 2026 Sea-Doo Spark 2-Up 900 ACE 60 HP valued at \$9,559
- ▶ Registration closes Thursday, January 22, 2026.

*Sponsored by:*

## 24' DAKA Low Pro Dock Sweepstakes

Enter for your chance to win a 24' DAKA Low Profile all aluminum dock! The sleek low profile keeps you close to the water for easy access to pontoons and boats. Features include a strong frame design with triple full-length stringers that provide the ultimate strength-to-weight ratio, removable cedar decking for easy installation, and Flush Mount Easy Adjust dock legs for simple seasonal adjustments.

- ▶ The dock is valued at \$5,045.
- ▶ Entries close at 5:00 pm, Sunday, January 25, 2026.

*Sponsored by:*

## SunStream SunLift X Sweepstakes

Enter for your chance to win a SunStream 6,500 lbs. SunLift X. This shallow water lift combines powerful hydraulic technology, durable and sophisticated engineering to deliver the fastest and most reliable lifting and launching experience for your boat.

- ▶ The 6,500 lbs. capacity SunLift X is valued at \$16,000.
- ▶ Entries close at 5:00 pm, Sunday, January 25, 2026.

*Sponsored by:* **NICCUM DOCKS**  
*BUILT TO LAST*

## Paddle North

Enter for your chance to win a Loons Nest 8', Two (2) Floating Chairs, and Four (4) Cup Holders.

- ▶ Total package MSRP = \$1,360.
- ▶ Entries close at 5:00 pm, Sunday, January 25.

*Sponsored by:*

# INNOVATION AWARDS

## Lobby D

The Innovation Awards honor manufacturers and suppliers who introduce groundbreaking products to the recreational boating industry. Managed by NMMA and judged by Boating Writers International, the Minneapolis awards recognize standout advancements in five categories: *Aluminum and Non-Fiberglass Fishing Boats, Fiberglass Fishing Boats, Pontoon Boats, Furnishings, and Electric Boats.*

**Winners will be revealed on January 22** and displayed at the show. Visit Innovation Way in Lobby D and look for award winners throughout the show to see these cutting-edge new products in person.

# FRED'S SHED

## HOW-TO CENTER—PRESENTED BY PROGRESSIVE®

*Tips, Tricks & DIY Advice for Boaters of all Skill Levels*

### How Do I Know if I Have the Correct Prop?

What pitch prop should you use? Are there advantages of a 4-blade prop over a 3-blade? Which is better, aluminum or stainless steel? Get answers to these questions and learn how props impact performance and fuel economy.

### Basic Motor Maintenance for Marine Engines

Learn basic maintenance and how to prevent problems before they happen to keep your gaspowered outboard running at its best. We will dive into the carburetor and fuel injection systems of both today's and yesterday's boats, and look inside a motor cutaway to gain a better understanding of motor mechanics.

### What Is the Correct Fuel for My Motor and How Do I Care for It?

Wondering what is best for your boat—pure gas, E10 or E15? Is there a difference between marina gas and gas from car pumps? Should you store your boat full or empty? How does ethanol affect marine engines? This session tackles fuel system basics, including the tough subject of ethanol in marine engines.

### What Boat Is Right for You?

Join us for a deep dive on how to figure out what boat is right for you. We will speak about new boats vs used boats and the benefits of both. We go through the types of boats and which boat will fit your personal needs.

### Ask Our Experts—Talk with a Tech Pro

Stop by for a free one-on-one consultation with our certified marine technician. Get professional advice and answers to your questions enhanced by hands-on demonstrations of tools and techniques on boat and motor cutaways. Sessions are first come, first served.

### Boater Basics: Essential Skills Every Boater Needs to Know

New to boating? We're here to help make sure you know how to choose the right boat for you and your family. Join us to learn what you need to consider as you are boat shopping today. We will also dive into the "rules on the water" similar to the rules of the road.

### Let's Talk Marine Electronics

What to learn about marine electronics? Join us as we touch on chart plotters, fish finders, transducers, wiring, auto pilots, as well as wiring tools and crimps. We will also discuss the installation of accessories.

### Winterization and the Proper Way to Store Fuel in my Boat in the Off Season

Learn the important steps to preparing your boat for its winter nap. We will discuss fuel storage, water draining if any, the best time to do any maintenance prior to the next season and other important winterizing tips.

### Watch, learn and do!

First-time boaters and seasoned do-it-yourselfers alike can boost their boating know-how with professional, practical advice from boating and tech experts. Daily seminars cover everything from getting started, to service and maintenance, to updating and operating, include live demos of techniques and tools and end with Q & A sessions.

***It's all FREE, compliments of the Discover Boating® Minneapolis Boat Show.®***

# NEW LOOK. NEW PRODUCTS.

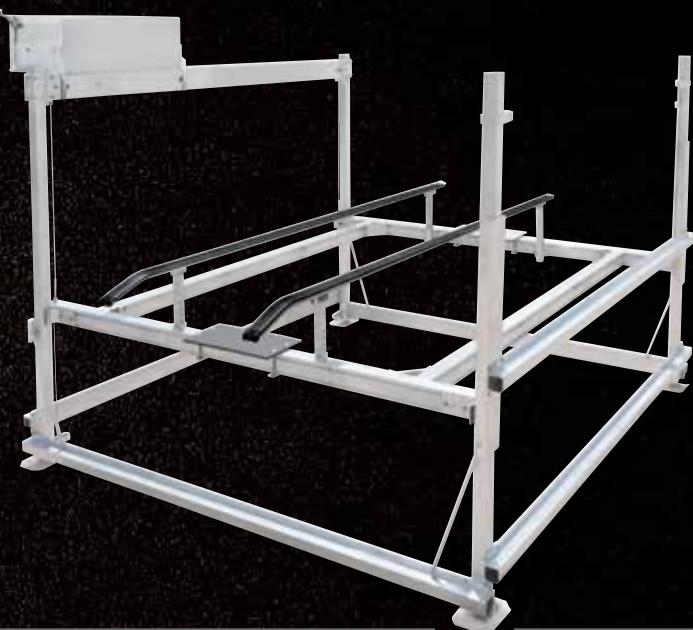

## HYDRAULIC VERTICAL

With rugged construction and smart design, the all-NEW Hydraulic Vertical Lift provides powerful lifting and unmatched reliability in a low-profile frame. The HV also features a **new pump box** with easy accessibility for quick service and upkeep.

MORE INFO

## FAST TRACK BOAT COVER SYSTEM

A fully custom solution that allows a single person to **cover a 40-foot boat in just minutes**. They can be installed on a current roof structure, on a lift canopy, or can be free standing with no roof or canopy needed. Known for both its practicality, durability, and its ability to solve a challenge every boater faces, it has **redefined convenience on the water**.

MORE INFO

# NMMA Certified: Quality Tested Inside & Out

NO SHORTCUTS. NO GUESSWORK. JUST CONFIDENCE YOUR BOAT WAS BUILT RIGHT.

No matter what your dream boat looks like, every NMMA Certified boat has exactly what you're looking for: quality you can trust, reliability that lasts, and safety you can count on.

You want to enjoy your time on the water. You want a boat that you and your crew can count on for years to come. You want the peace of mind that comes from knowing your boat is built to the highest standards. That's why you want an NMMA Certified boat.

Sure, every boat sold in the U.S. must meet basic U.S. Coast Guard standards. But NMMA Certification? It's voluntary. And it goes well beyond those minimum requirements. When you see the NMMA Certified logo on a new boat, you know you're looking at a boat that has been thoroughly tested inside and out. Everything from the electrical systems to fuel lines to flotation meets the industry's highest safety and construction standards.

## Here's what makes the difference

To earn the right to display the NMMA Certified logo on its boats, NMMA Certified boat manufacturers submit to independent, third-party inspections annually to ensure manufacturing processes consistently meet certification standards. Not just once—every year.

Inspectors verify that everything meets American Boat & Yacht Council (ABYC) standards—the gold standard for boat design, construction, systems and safety.

## Real benefits

Here's something else worth knowing: NMMA Certified boats are seven times less likely to be recalled by the U.S. Coast Guard than uncertified boats. Seven times. That's not a small difference—that's the difference between worrying and enjoying your time on the water. Certified builders also employ specialists trained in ABYC standards to catch issues before they reach the showroom floor, so you can rest easy knowing that every system on board meets the highest standards.

## How to spot an NMMA Certified boat

Look for the NMMA Certified logo on the capacity plate or yacht plate. Many manufacturers also display it in brochures or on their website.

Make NMMA Certification one of the first things you look for when buying a new boat, so you can focus on what really matters—enjoying your time on the water.

Visit [DiscoverBoating.com/certified](http://DiscoverBoating.com/certified) for a list of certified manufacturers.

# navigating peace of mind

## THE IMPORTANCE OF BOAT INSURANCE

Embarking on the open water is an exhilarating experience, filled with the promise of adventure and relaxation. Whether you're a seasoned sailor or a weekend cruiser, protecting your vessel with proper insurance is not just a choice—it's a necessity. Explore the reasons why every boat owner should prioritize boat insurance for a worry-free voyage.

### Unpredictable waters

The open water can be unpredictable, with unexpected storms, collisions, or other potential accidents. Boat insurance can give you financial protection if there is damage to your vessel, providing coverage for repairs or replacement.

### Damage and injury

Accidents on the water can result in damage to other boats, docks, or even injuries to passengers. Boat insurance offers liability coverage, which can pay for damages or injuries you're liable for while boating, up to specified limits, and lawsuit costs if you're sued. This includes damage you cause to another watercraft or if someone on or near your boat is injured and you're found to be legally responsible.

### Theft and vandalism

Unfortunately, boat theft and vandalism are realities that boat owners face. Boat insurance has comprehensive and collision coverage that can protect you against events outside of your control, including theft and vandalism.

### Incurred medical payments

Accidents on the water may lead to injuries for you or your passengers. Boat insurance offers a range of optional medical payments coverage limits, helping to cover medical expenses if you are in an accident or someone is hurt on your boat, regardless of fault.

### Peace of mind for financing

If you financed the purchase of your boat, most lenders require insurance coverage to protect their investment. Having boat insurance not only fulfills these requirements but also gives you peace of mind knowing that your financial interests are safeguarded.

### Navigational flexibility

Some water municipalities and marinas may require proof of insurance for docking or accessing certain areas. Boat insurance allows you the flexibility to explore different destinations without worrying about entry restrictions.

### Emergency towing and assistance

Progressive boat insurance can include optional Sign & Glide® On-Water Towing coverage. If your boat is disabled or breaks down on the water, Sign & Glide® pays for on-water towing, jump starts, soft un-groundings, and fuel delivery.

### Wreckage removal

If your boat sinks, Progressive boat insurance will cover the cost of removing your boat from the water (if removal is legally required).

Investing in boat insurance is not just about protecting a valuable asset; it's about safeguarding the memories, experiences, and joy that come with your on-water adventures. Don't let unforeseen circumstances disrupt your journey—navigate with confidence, knowing that Progressive boat insurance has you covered. Ensure a smooth and worry-free voyage, because when it comes to your boat, peace of mind is the ultimate luxury.

# NEW PRODUCT SHOWCASE

# 5 REASONS TO BUY A BOAT THIS WINTER

## *Why now is the perfect time to make your move*

Winter might not feel like boating season, but smart shoppers know, it's really the best time to buy. Boat show season is in full swing, giving you access to brand experts, show-only offers, and the latest models—all in one place. Shopping now means better selection, more prep time, and a smoother launch come spring.

### **1 Take Advantage of Boat Show Season**

You're already here—so make it count!

Boat shows bring together new models, leading brands, and seasoned pros under one roof. Sit at the helm, test layouts, and compare features side by side to find the boat that feels right for you and your crew.

Talk to multiple dealers, collect spec sheets and ask questions. Many brands offer exclusive show pricing, financing promotions, or bundle deals you won't find later. This is your chance to shop smart and buy with confidence.

### **2 Shop With Less Pressure, More Clarity**

Buying a boat is a big decision—you deserve time to think it through.

Winter shopping gives you breathing room to compare models, research financing, and plan storage or slip options without the rush of peak season.

It's a calm, informed way to make one of the most exciting purchases of your life.

### **3 Beat the Spring Rush**

Come spring, everyone wants their boat ready at once—which means service backlogs, delivery delays, and paperwork bottlenecks.

Buy now, and you'll skip the line. Dealers can schedule inspections, upgrades, and detailing early, so your boat is ready the moment the water warms up.

### **4 Explore the Newest Models (and the Best Deals)**

Boat shows spotlight the latest model year releases—while also opening doors to discounts on prior-year or in-stock boats.

If you're flexible on color or features, you can find fantastic deals. Prefer something custom? Ordering now means your new boat will arrive on schedule, built just the way you want it.

### **5 Have Better Conversations with Dealers and Experts**

Winter is when dealers actually have time to talk. Ask about hull design, engine performance, maintenance, and total ownership costs. Discuss training options, safety courses, or a possible sea trial.

This slower season is ideal for building a relationship that will support you long after your first launch.

### **Your Next Step: Buy Smart This Winter**

Buying a boat during the offseason gives you more value, more time, and more peace of mind.

Boat shows bring all the right people and products together—so take advantage of the opportunity. Ask questions, compare, and take that exciting next step toward your best boating season yet.
